

Douglas A. Jones Executive Director

Mr. Jones has twenty years experience in hospital operations, administration and capital program management. In his role as Executive Director at ADAMS, he is responsible for the delivery of services to ADAMS clients, as well as managing a staff of engagement professionals who provide project management expertise in the planning, design, construction and occupancy of healthcare projects. Prior to joining ADAMS, Mr. Jones held the position of Chief Executive Officer at Southwest Alabama Medical Center, a 49-bed hospital serving three counties, located in Thomasville, Alabama. While there he managed annual gross revenues of \$20 million and approximately 110 employees. Additionally, Mr. Jones held the Vice President – Support Services and Chief Operating Officer positions, sequentially, at Cherokee Baptist Medical Center in Centre, Alabama and DeKalb Baptist Medical Center in Fort Payne, Alabama. Cherokee Baptist Medical Center is a 60-bed hospital with annual gross revenues of \$15 million and approximately 130 employees; DeKalb Baptist Medical Center is a 134-bed hospital with annual gross revenues of \$55 million and approximately 350 employees. Other highlights from his career include involvement in management at Marion County Medical Center and administration with Baptist Health System Inc., the Birmingham VA Medical Center and the Montgomery VA Medical Center.
