

## **Steven W. Irmischer** President/Chief Executive Officer

Mr. Irmischer has nineteen years of focused healthcare owner's representation and program management experience with ADAMS Management Services Corporation (ADAMS), including the company's previously recognized entities. He also has over twenty years experience in the construction industry. As President/Chief Executive Officer at ADAMS, Mr. Irmischer carries full responsibility for leadership, operations and management of the company. Mr. Irmischer has been instrumental in the growth and success of ADAMS. He has held management positions including Executive Vice President/Chief Operating Officer and Senior Vice President and has carried overall responsibility for all revenue production, professional services execution, quality assurance and operations of the company. He has also been primarily responsible for successfully delivering ADAMS program management services, managing ADAMS internal staff, developing and maintaining ADAMS peer relationships within the industry and developing new client engagements. Mr. Irmischer has been involved in a number of successful program management and advisory engagements delivering a broad range of services that vary from managing the planning, design, construction and occupancy of healthcare facilities to consulting on real estate options, as well as organizational development matters for internal healthcare planning and construction departments. Mr. Irmischer's client engagement responsibilities have included working with senior leadership to develop the goals and objectives of respective programs, ensuring client satisfaction, providing oversight of the ADAMS team on each project management engagement and supporting the project management staff in developing creative solutions to challenges beyond typical project management roles and responsibilities.
