

## **William D. Hucks, Jr.** Executive Director

Mr. Hucks has sixteen years of project management experience in healthcare and biotechnology projects. Prior to joining ADAMS, he worked for Beers York Construction Company in Greenville, South Carolina and Beers Construction Company in Atlanta, Georgia. During his tenure at ADAMS, Mr. Hucks has progressed through various positions from Project Manager to Executive Director. In his current role, he is responsible for the delivery of services to ADAMS clients, as well as managing a staff of engagement professionals who provide project management expertise in the planning, design, construction and occupancy of healthcare projects. Mr. Hucks has honed his skills in developing recommendations for project delivery organization and improvements through his extensive experience in ADAMS assessment engagements.
