ADAMS Announces the Addition of Several Employees

Rome, GA, May 2010 – ADAMS Management Services Corporation (ADAMS), the leading provider of program management and advisory services for the healthcare industry, announces the addition of Frank Shropshire as Director of Human Resources, Frank Bibb as Controller and Chandler Alstrin and Raphael Sartorato as Associate Project Managers. Mr. Shropshire, Mr. Bibb and Mr. Sartorato are based out of ADAMS' Corporate office in Rome, Georgia and Mr. Alstrin is serving from ADAMS's Southlake, Texas location.

Prior to joining ADAMS, Mr. Shropshire was employed by major building supply company headquartered in Rome, Georgia and operating throughout the southeast and other regions across the country. He has over thirty-five years experience in Human Resources and is skilled at benefits, recruiting, management growth and training, and policy and procedure development.

As Controller, Mr. Frank Bibb directs the daily activities of the accounting department as well as coordinates financing, budgeting and compliance activities. Mr. Bibb is a Certified Public Accountant with over thirty years of experience in public accounting and private industry.

Mr. Alstrin is an Associate Project Manager at ADAMS with experience in construction management. He is primarily responsible for developing, distributing and managing project documentation, developing reports to inform and update client leadership, and assisting senior project management staff in updating program documents. Prior to joining ADAMS, Mr. Alstrin worked for a national Real Estate Development Corporation located in Dallas, Texas where he assisted with safety and quality control operations and facilitated inspections conducted by city officials.

Mr. Sartorato recently graduated from Georgia Institute of Technology where he studied Science in Architecture. Prior to graduating Mr. Sartorato acquired experience by serving as an intern to ADAMS and working on various client engagements. As an Associate Project Manager at ADAMS he develops, distributes and manages project documentation, develops reports to inform and update client leadership, and assists senior project management staff with additional program documents.
