

Certified Construction Manager

Dan Maxwell, Senior Project Manager

8/11/2010

ADAMS is proud to announce that Senior Project Manager, Dan Maxwell is a Certified Construction Manager!

The CCM Certification Program is administered by the Construction Manager Certification Institute (CMCI), an independent administrative body of the Construction Management Association of America (CMAA). The Institute is governed by a Board of Governors and is comprised of CM professionals who are responsible for policies and procedures affecting criteria for professional certification and the determination of individual certification status of candidates enrolled in the CM Certification Program.

CMCI's mission is to recognize through certification, individual knowledge and experience that meet the established practices of Construction Management.

The July/August edition of the **CMAdvisor** recognizes the newest CCMs and includes ADAMS' own Dan Maxwell. (See page 25)
